Section 3 - Securities and Trading Markets

Item 3.02: Unregistered Sales of Equity Securities

On April 26, 2007, Jayhawk Institutional Partners, L.P. ("Jayhawk") exercised its right to convert \$1.0 million principal amount of the 7% Convertible Senior Subordinated Debentures due 2011 (the "Debentures") of LSB Industries, Inc. (the "Company"). Pursuant to the terms of the Indenture, dated March 3, 2006, governing the Debentures, the conversion rate was 141.04 shares of common stock for each \$1,000 principal amount of converted Debentures. As a result, the Company will issue to Jayhawk 141,040 shares of common stock.

In connection with the conversions, the Company agreed to pay Jayhawk \$35,000, representing interest that would be due in September 2007. This conversion reduces the Company's debt by \$1.0 million and correspondingly increases stockholders' equity by the same amount. With this conversion, all \$18 million principal amount of the Debentures originally issued by the Company in March 2006 have been converted, and no Debentures remain outstanding. The Company has issued a total of 2,542,288 shares of common stock as a result of conversion of the \$18 million principal amount of Debentures.

The issuance of the common stock to Jayhawk upon conversion of the Debentures will be made in reliance on the exemption from registration provided by Section 3(a)(9) of the Securities Act of 1933, as amended (the "Act"). The conversion was effected without any form of general solicitation or general advertising. No commission or other remuneration was paid directly or indirectly for soliciting this transaction. The shares of common stock issued upon conversion of the outstanding Debentures are registered for resale under the Company's Form S-1 Registration Statement, file number 333-134111, declared effective May 26, 2006, as amended by a Post-Effective Amendment No. 1 declared effective on April 18, 2007.

As of April 16, 2007, and including the conversion of the Debentures described above, Jayhawk and its affiliates, Kent C. McCarthy, Jayhawk Capital Management, L.L.C., and Jayhawk Investments, L.P. (collectively, the "Jayhawk Group") were the owners of 2,661,070 shares of the Company's common stock, representing approximately 13.6% of the Company's issued and outstanding shares of common stock, with the right to acquire an additional 783,547 shares of common stock issuable upon conversion of other Company securities held by the Jayhawk Group.

**LSB INDUSTRIES, INC. ANNOUNCES CONVERSION OF
FINAL \$1 MILLION OF ITS 7% CONVERTIBLE DEBENTURES**

Oklahoma City, Oklahoma . . . April 27, 2007 . . . LSB Industries, Inc. ("the Company"), whose common stock is traded on the American Stock Exchange under the symbol LXU (AMEX: LXU), today announced that Jayhawk Institutional Partners, L.P. ("Jayhawk"), the owner of the last remaining \$1.0 million outstanding of the Company's 7% Convertible Senior Subordinated Debentures due 2011 (the "Debentures"), exercised their right to convert such \$1 million principal amount of the Debentures into 141,040 shares of the Company's common stock. In connection with the conversion, the Company agreed to pay to Jayhawk \$35,000, representing interest that would be due in September 2007, on the \$1 million of Debentures. This conversion decreases the Company's debt by \$1 million and correspondingly increases stockholders' equity by approximately the same amount. Pursuant to the terms of the Indenture dated March 3, 2006, governing the Debentures, the conversion rate was 141.04 shares of common stock for each \$1,000 principal amount of converted Debentures. As a result of this conversion, all \$18 million of the Company's Debentures have been converted.

LSB is a manufacturing, marketing, and engineering company with activities on a world wide basis. LSB's principal business activities consist of the manufacture and sale of commercial and residential climate control products, the manufacture and sale of chemical products for the mining, agricultural and industrial markets, the provision of specialized engineering services, and other activities.
