Item 3.02. Unregistered Sale of Equity Securities.

On March 4, 2005, LSB Industries, Inc. (the "Company") received notice of exercise under certain Warrants to Purchase Common Stock of the Company, each dated May 24, 2002, for the purchase of an aggregate 586,140 shares of the Company's common stock. Each of the three purchasers under the warrants is an affiliate of Guggenheim Investment Management, LLC. The warrants were exercised pursuant to the cashless exercise provisions of the warrants, which reduced the total number of shares issuable under the warrants by 9,445 shares, based upon the current market price of the Company's common stock, as defined in the warrants. The issuance of the 586,140 shares upon the exercise of the warrants constitutes a private offering to accredited investors, which is exempt from registration under Section 4(2) of the Securities Act of 1933, as amended (the "Securities Act") and/or Rule 506 of Regulation D promulgated under the Securities Act.

Pursuant to the terms of the warrants, if requested by the purchasers, the Company is obligated to file a registration statement registering the resale of the shares issued upon the exercise of the warrants. In addition, the purchasers of such shares are entitled to certain piggy-back registration rights under the terms of the warrants.

Following the issuance of the 586,140 shares pursuant to the exercise of the warrants, the Company will have 13,666,038 shares of common stock outstanding, and the shares issued upon the exercise of the warrants will represent approximately 4.3% of the Company's outstanding common stock.
